>Ballast: 4,500 lbs. - lead

>Displacement: 56,450 lbs.

Construction

- Hull and superstructure molds from high-grade female tooling.
- Hull construction includes use of USA-made, Cook® gel coat. Hand-Laid Knytex® fiberglass construction with closed-cell PVC sandwich core used in topsides. Solid fiberglass below waterline with blister-resistant vinylester resin utilized on first two laminates below the waterline.
- Superstructure includes end-grain balsa core and surface mats for print-through reduction.
- Teak aft and side decks. Boat and fore decks have GripTex® non-skid finish. Bulwark has molded plank lines with gel coat finish.
- Polyurethane formulate marine sealants used at hull-to-deck, boat deck joints and exterior fittings.
- Marine-grade plywood bulkheads with molded fiberglass hat section stringers.
- Teak veneer walls and cabinetry with satin varnish.

Saloon

The saloon is entered through double doors from the aft deck. To port are 2 Natuzzi leather chairs and a side table. There is an L-shaped Natuzzi leather dinette with teak hi-lo table. At the forward end of the saloon is a built-in entertainment center with new Samsung flat screen TV and surround sound. There are teak valances and drapes on the large port and starboard saloon windows and on the aft bulkhead window. All the windows open and there is a Phantom screen for the aft saloon double doors. All interior lighting is upgraded with Alpenglow Florescent or LEDs.

Galley

The large, open galley is located on the starboard side, forward of the saloon. The major components include:

- Vitrifrigo stainless steel refrigerator/freezer (2013)
- Force 10 3-burner propane stove with oven (2013)

- Custom stainless steel lighted hood vent over stove (2013)
- G.E. Trash compactor
- Bosch stainless steel dishwasher (2007)
- Alpenglow florscent lights (2009)
- G.E. Garbage disposal
- Water filtration system
- Large stainless steel sink with Scanmix faucet
- Corian counter tops

Master Stateroom

The master stateroom is located forward and with no hard chines to create "wave slap", offers a perfect night's sleep. It features a centerline island queen berth with new Sealy Posturepedic mattress, 3 hanging lockers, mirrored vanity, generous drawer and locker storage, 4 opening ports and 2 overhead hatches. The master stateroom offers abundant ventilation for those peaceful nights at anchor. There is also a Samsung flat screen TV, digital audio controls, two Garmin GMI 10 multifunction displays and security system key pad.

Ensuite Head

The master stateroom head is located on the port side of the stateroom. It has a new Raritan Elegance super quiet fresh water head, stall shower with seat and bi-fold shower door, Corian counter top and 2 opening ports.

Guest Stateroom

The guest stateroom is located aft of the master stateroom on the starboard side. Completely customized with 2, true Twin sized overlapping berths, teak bookshelves, lots of storage space, a large hanging locker and 3 opening ports. Maximum comfort for two! No folding or converting berths to fool with.

Head

The guest head is opposite the guest stateroom and has a new Raritan Elegance super quiet fresh water head, stall shower with seat and bi-fold shower door, Corian counter top and opening ports. The guest head also houses the new (2013) Whirlpool Thin-Twin stack washer & dryer.

Pilothouse

The pilothouse is located up and forward from the saloon / galley area. It offers excellent sightlines for the captain and your guest. There is a Stidd Electric helm chair, plus comfortable seating for the cruising party on a large L-shaped Leather settee with a pedestal mounted table. The settee also converts to a double berth when extra sleeping space is needed. There is plenty of ventilation with 2 overhead hatches, opening side windows and aluminum opening doors port and starboard.

- Stidd Electric helm chair
- Leather L-shaped convertible Settee
- Powder coated Aluminum weather-tight Dutch opening doors
- Overhead opening hatches

- Access door for back of instrument panel

Electronics

MIDNIGHT SUN offers an extensive inventory of electronics and updated navigational equipment. These include:

- Garmin 7212 Chartplotter / Radar with 2 Pilothouse screens and 5212 Flybridge screen (2011)
