Model:	Whaleback - Grand Saloon	Hull Material:	Fiberglass
Length:	48 ft	Draft:	5 ft
Price:	\$ 749,000	Number of Engines:	1
Year:	2002	Fuel Type:	Diesel
Condition:	Used	Number:	5930116
Location:	Sarasota, FL, United States		

Fluke

FLUKE is the most extensively equipped Whaleback to ever come on the brokerage market. Absolutely no expense was spared when she was commissioned, and she has received nothing but the best from Day 1. She is a Grand Saloon model with 2 staterooms and 2 heads resulting in a luxurious saloon and large galley. In addition she has a hydraulic system powering bow and

stern thrusters, dinghy crane and "Get Home" propulsion. FLUKE is an economical, go anywhere blue water trawler that is in bristol condition. This is a rare opportunity, and will not last long.

Measurements

Cruising Speed:	9 kn	Ballast:	4500 lb
LOA:	53 ft	Displacement:	56450 lb
LWL:	45 ft 5 in	Fuel Tanks Capacity:	1000 gal
Beam:	17 ft 4 in	Fresh Water Tanks Capacity:	540 gal
Max Draft:	5 ft	Holding Tank Capacity:	100 gal

Propulsion

Engine #1

Engine Make:	John Deere	Hours:	4372
Engine Model:	6068TFM	Power:	225 hp
Primary Engines:	Inboard		
Drive Type:	Direct Drive		

Construction

Hull and superstructure molds from high-grade female tooling. Hull construction includes use of USA-made, Cook® gel coat. Closed cell PVC sandwich core used above waterline; solid hand-laid PPG® combo mat fiberglass below waterline, with blister-resistant vinylester resins, utilized on first, two laminates. Superstructure includes end-grain balsa and core mat for print-through reduction. Teak aft deck. Boat, side and fore decks have GripTex® non-skid finish. Bulwark ceiling to have molded plank lines with gelcoat finish. Polyurethane formulate marine sealants used at hull-to-deck, boat deck joints and exterior fittings. Marine-grade plywood bulkheads with wood stringers and frames. Teak veneer walls and cabinetry with satin varnish.

Saloon

The saloon is entered from the spacious covered aft deck through double Freeman welded aluminum doors. To port are a pair of comfortable Ekornes Stressless recliners w/ matching footstools. To starboard is an L-shaped oversized settee with teak hi-lo dining table. The entertainment center is located in the aft port side, while the forward starboard side includes a built-in cabinet and breakfast bar with matching swivel stools. The entire area is enhanced by carpeting, teak valances, custom drapes and blinds and Phantom screen.

Galley

The oversized galley on FLUKE is open to the saloon. There is an abundance of storage in cabinets and drawers as well as a large, deep pantry in the companionway. Countertops are Corian along with a custom tile backsplash. There is also supplemental freezer space in the midship machinery space. Major components include:

- Summit Stainless Steel refrigerator/freezer (new 2014)
- Force 10 propane stove and oven
- Samsung Stainless Steel convection/microwave oven (new 2012)
- Large stainless steel sink
- Stainless steel Fisher Paykel dishwasher
- GE Monogram stainless steel trash compactor
- Large opening window
- Whirlpool filtered water

Master Stateroom

The large master stateroom is located forward and features a queen-size island berth with a memory foam mattress. There is ample storage in two hanging lockers and multiple drawers. Four opening ports and two overhead hatches make it light and airy.

Ensuite Head

The ensuite head is located in the aft port side of the master stateroom. There is an oversized stall shower with molded seat with temperature controlled fixture, a sink with Corian counter top and lighted vanity/medicine cabinet and a full-size Sealand VacuFlush fresh water head.

There is also a Seagull filtered water system for drinking water at the sink. A large linen cabinet and custom ceramic floor tile finish the room.

Guest Stateroom

The guest stateroom is on the port side forward of the saloon. It is very large and features a queen berth with custom mattress. There is a large desk with drawers, book shelves and hanging locker. The large opening window and single opening port hole create an inviting space.

Guest Head

The guest head has a large stall shower, Sealand full-size VacuFlush fresh water head, large linen closet, custom ceramic floor tile and Corian topped vanity. There is also a Seagull filtered water system for drinking water at the sink. The stack GE washer/dryer is located just outside the guest head.

Pilothouse

The pilothouse of the Whaleback is a very popular feature. With 360 degree panoramic view, comfortable custom electric Stidd helm chair, convertible L-shaped settee with hi-lo table, Sub-Zero refrigerator/freezer and wet bar, this is the place to be underway. With opening windows port, starboard and aft, Freeman dutch aluminum doors it is a great place to enjoy a sunrise or sunset. It is also often used for an office space as well.

Electronics

- Furuno integrated NavNet display
- Furuno NavNet chart plotter/radar VX2
- Furuno NavNet weather fax
- Furuno GP-32 GPS/WAAS
- Furuno RD-30 Depth, knots and water temperature
- Furuno 64 mile open array radar
- Furuno color depth finder
- ASUS PC with 15" monitor & Rose Point Coastal Explorer software
- Simrad AP-20 autopilot
- Simrad AP-21 autopilot remote
- 2 Standard Horizon Spectrum VHF, both with DSC, hailer & RAM mics
- ICOM M-802 SSB
- WxWorx satellite weather
- Amplified cell phone antenna
- Simrad wind instrument
- ACR 406 EPIRD w/hydrostatic release
- AIS
- Ubiquiti Bullet M2 antenna

Electrical

- 12Kw Northern Lights generator w/PTO (1621 hours)
- 2500 Watt Trace inverter/charger
- 2000 Watt Xantrax Freedom SW 2012 inverter/charger
- Newmar 40 amp charger (dedicated to electronics battery)
- Leece Neville 320 amp main engine alternator
- (9) 8-D AGM batteries (2014)

Engine Room & Mechanicals

- John Deere 6068 TFM 225 hp (4372 hours)
- Twin Disc 3:1 marine gear
- Keypower hydraulic "Get Home" drive
- Large hydraulic pump on PTO
- Hydraulic bow & stern thrusters
- Bow thruster foot controls at windlass
- Hydraulic power rotating 1500# davit
- Dual Racor fuel filters
- Gulf Coast fuel polishing system with Oberdorfer pump
- Naiad 9 sq ft hydraulic stabilizers
