INKING THE DREAM

Most owners are happy to declare their brand loyalty with custom shirts and ball caps. Dyan Warren, who owns the Kadey-Krogen 52, *Suite Judy*, with husband Mike.

Dyan has incorporated the Kadey-Krogen message into her flesh, having had the words “KKY At Home On Any Sea” tattooed on her left forearm and wrist, her boat name on her right wrist and hull number on her back.

And she’s not done with the ink yet.

“I’m going to get another tattoo on my left foot that says, ‘Dream your adventure. Cruise your dream on a Kadey-Krogen.’” The design will start on her left ankle, wrapping around and going across her foot, and ending in the instep.

The Warrens hail from Virginia. As you may have guessed, the inspiration for their boat’s name was the classic Crosby, Stills, Nash and Young tune “Suite Judy Blue Eyes.”
